An Open Letter to All Fellow Alumni – Graduates, Undergraduates and Teachers of St. Joseph High School – 1950 to 2012

Dear Fellow Alumni and Teachers:

The organizers of the 2012 Grand Alumni Homecoming of our Alma Mater, St. Joseph High School of Laoag City, Ilocos Norte, Philippines has elected that the Grand Alumni Homecoming be held from March 30 to April 1, 2012. The USA Chapter, having the heaviest concentration of the school's graduates has joined forces with the Philippine Homecoming coordinators in the preparation and planning of the 2012 Grand Alumni Homecoming.

Each year, as we welcome a new class of students to the St. Joseph campus, we are reminded of the legacy left by all the students that have come before them. For many of us, high school days may have been among the best experiences of our lives. Whether it has been years since we have last set foot on campus, we hope that you still consider **St. Joseph High School** a home away from home.

Our **2012 Grand Alumni Homecoming** festivities will celebrate the history of our mystic Josephite's past, the years of our innocence that molded us into what we are today. So please, make time to join us 'ALUMNI' on **March 30 – April 1, 2012** for a memorable Homecoming weekend as we celebrate and reminisce about our "High School Nostalgia."

On behalf of the entire high school community, we personally invite every alumnus to come and join our **Alma Mater** for this special occasion. We LOCALS and ABROAD alumni are preparing an exciting activities and events for you and our family.

A website is under construction to facilitate easier access of any new developments. This site will soon post updates on activities, membership registration, and the canvassing of Homecoming Queens and Kings which will serve as a fund raiser.

St. Joseph High School is very proud of its graduates and is grateful for the generous contributions that all of you **have made** and **WILL MAKE** in helping the **Alma Mater** through its building restoration and the completion of its first ever Auditorium Hall and Library.

We look forward to welcoming you home as we gather to celebrate our **St. Joseph** legacy at next year's **Grand Alumni Homecoming**. Reserve the date, keep up the hype, and see you in March and April 2012.

Your SJHS Alumni USA Chapter Co-Directors,

Narciso, Leonora, Lucia and Rosalie
